CALCUTTA MINT, } H. HYDE, Lieut.-Col.,
The 5th July 1875. } Mint Master.

POST OFFICE.

NOTIFICATIONS.
DARJEELING LINE.

Calcutta, the 16th June 1875.

No. 7808, L. M. S. No. 2.—During the present season the experiment will be tried of offering the public a less expensive mode of conveyance to Darjeeling.

2. A limited number of wagonettes have been built, which are so constructed as to enable

two passengers to lie down at full length. They are provided with cushions and hoods, and drawn by two horses, but they are not sufficiently protected from the weather to make them good for ladies or invalids. These are available at cheaper rates than the ordinary carriages, viz., 4 annas a mile for each passenger, or Rs. 25 for the through journey.

3. A wagonette will start from Karagola every day except Sunday and Monday, leaving on the arrival of the steamer, and will return from Silligore every day except Monday and Tuesday, starting at 11 A. M.

4. No luggage can be carried except a hand-bag, which should not weigh more than five seers. This rule is necessary and must not under any circumstances be infringed, as these vehicles convey the parcel mail. One traveller who, by the payment of Rs. 50 engages a whole wagonette, can take two maunds of luggage with him free.

5. Application for wagonettes should be made in the usual way to Post Master, Purneah, and should state which of the other forms of accommodation the traveller wishes in case a wagonette is not available.

The Rig-Veda, the oldest book of Indian literature, has very properly been made one of the principal class-books for those who study Sanskrit in the schools and colleges in India, and though at present a scholar-like knowledge of the Vedic hymns is in the examinations required of the more advanced students only, yet, as soon as editions, translations, grammars, and dictionaries shall have rendered the study of these ancient documents more accessible, I doubt not that the time will come when no one in India will call himself a Sanskrit scholar, who cannot construe the hymns of the ancient Rishis of his country.—Extract from Preface.

The Hymns of the Rig-Veda, in the Samhita and Pada Text, Deva-Nagri Character, by Professor F. Max Müller, M. A., in two Volumes. *Price, Rs. 24; packing and postage, Re. 1-12.*

The Rig-Veda, the oldest book of Indian literature, has very properly been made one of the principal class-books for those who study Sanskrit in the schools and colleges in India, and though at present a scholar-like knowledge of the Vedic hymns is in the examinations required of the more advanced students only, yet, as soon as editions, translations, grammars, and dictionaries shall have rendered the study of these ancient documents more accessible, I doubt not that the time will come when no one in India will call himself a Sanskrit scholar, who cannot construe the hymns of the ancient Rishis of his country.—*Extract from Preface.*

POST OFFICE.

NOTICE.—Consequent upon the Postal Union Treaty recently concluded at Berne, alterations have been made in the rates and conditions of postage to certain foreign countries, the route to which lies through the United Kingdom.

2. As respects those countries, therefore, the following revised table is given in supersession of the rates which appear in the Schedule at pages 23 to 25 of the Indian Postal Guide, dated 1st June 1875, under the head of "countries served through England."

COUNTRIES, &c.		EACH LETTER					Prepayment compulsory.	EACH PACKET OF NEWSPAPERS, BOOKS OR PATTERNS.									
1, II, III. These figures refer to the remarks following the Schedule respecting the treatment of unpaid covers, charges on delivery, &c. Where the means of conveyance from India is not specified, it is always by British Packet, i. e., P. & O. Co. Where the description of the route contains no mention of a particular Indian Office, the mails are sent via Bombay, or from Aden in the case of correspondence posted at Aden. The name immediately following the word "through" is that of the country or Office to which the mails are consigned by the Indian Post Office. "Via C. M." means that the route is via Calcutta or Madras, according to the locality where posted.		a denotes that the cover is liable to additional postage on delivery. b denotes that the pre-payment of postage is compulsory. c denotes that registered covers are charged at double the ordinary rates (to be prepaid), no separate fee being levied. The registration fee as well as the postage must, in all cases of registration, be prepaid in full by stamps. For the postage on heavy letters, see remarks preceding this Schedule, clause (6).						Full prepayment compulsory except to United Kingdom. The limit of weight is 5 lbs. except where lower limits are given in the references below. The general limit of size is 2 feet in length and 1 foot in breadth or depth; but * in the references below means that a packet may not exceed 12 inches in length, breadth or depth. Patterns can be sent only by routes marked P below. For further explanations and special conditions (when quoted in the references below), see Book and Pattern rules.									
		NOT EXCEEDING IN WEIGHT				REGISTRATION FEE.	NOT EXCEEDING IN WEIGHT 4 OZ.	NOT EXCEEDING 1 OZ.	NOT EXCEEDING 3 OZ.	NOT EXCEEDING 4 OZ. NOTIFICATION.

MISCELLANEOUS.

The 21st August 1875.

No. 1707 A.—The following tea plantations in Kumaun, the property of Government, will be offered for sale by public auction at the Senior Assistant Commissioner's Office, Almora, on Wednesday, the 1st of December, 1875, at noon:—

Hawalbagh.—Forty-six miles from the plains by bridle-road, and six from Almora. Area, about one hundred acres, after excluding the house known as Mr. Traill's, with its compound, which will not be sold: said house and ground are in an outlying corner of the estate, and are to be set apart for travellers. Separated from the plantation by the Kosi river (suspension bridge) is a pine forest of one hundred and two acres belonging to the estate, but in which neighbouring villages have the right to graze their cattle. The garden, having latterly been used as a nursery for fruit trees, the whole of the area is not under tea. There are on the estate two large slated houses (exclusive of Traill's house), a slated factory, two slated godowns, a slated barrack for tea-makers, and numerous slated out-offices. The height of the houses above sea-level is 4,000 feet, and the lands are not much higher or lower. Upset price Rs. 25,000.

Communications.—A good bridle-road, 8 to 10 feet wide and bridged, runs to (1) Haldwani, (2) Kaladungi (*via* Naini Tal), and (3) Ramnagar (*via* Khyrna). From Haldwani to Bareilly Railway Station, 60 miles, over a pukka cart-road; from Kaladungi to Moradabad Railway Station, 48 miles, on partly pukka road; and from Ramnagar to Moradabad, 45 miles, *via* Kashipur, of which 25 miles, more or less, are a kutcha fair-weather road, bridged. Bridge-of-boats on Ramganga north of Moradabad. From Ramnagar up there is a cart-road (Kosi river not bridged) to Kanikhet, 56 miles; and to the Hawalbagh plantation, where the Kosi river is being bridged, 19 miles.

Ayar Toli.—In Kattyur, consisting of about 2,546 acres. The area under tea was some years ago considerable. About 700 acres are cleared, and nearly 1,500 acres consist of jungle, of which part may be unculturable: a portion of the estate named Binculi, 919 acres, is held under a perpetual lease from the Nagnath Temple, at an annual rent of Rs. 24. There were on the estate a house, factory, godown, and numerous out-offices, all slated; but all these are in bad repair. Height of house above sea-level, 5,200 feet, and the plantation ranges from that height to 4,400 feet. Upset price, Rs. 17,000.

Communications.—To Hawalbagh, 24 miles by bridle-road, thence as detailed under Hawalbagh.

These two estates will be put up to auction separately, at the upset prices named, and sold in fee simple to the highest bidder, free of all demands for land revenue, but subject to the rights already named in each case, and also to payment of customary cesses now in force, or that may be imposed hereafter.

Both estates have been surveyed, and maps may be seen at the District Office, Almora. Intending purchasers must satisfy themselves as to the present condition of the estates, and on all other matters involved in their sale. The purchasers must deposit 5 per cent. of the purchase-money at the time of sale, and the balance on or before the 1st of January, 1876, when possession will be given: failing payment in full, the deposit will be forfeited, and the estate re-sold.

By order of the Hon'ble the Lieutenant-Governor of the North-Western Provinces.

A. COLVIN,

Offg. Secy. to Govt., N. W. Provinces.

NOTIFICATION.

MISCELLANEOUS.

The 21st August 1875.

No. 1707 A.—The following tea plantations in Kumaun, the property of Government, will be offered for sale by public auction at the Senior Assistant Commissioner's Office, Almora, on Wednesday, the 1st of December, 1875, at noon:—

Hawalbagh.—Forty-six miles from the plains by bridle-road, and six from Almora. Area, about one hundred acres, after excluding the house known as Mr. Traill's, with its compound, which will not be sold: said house and ground are in an outlying corner of the estate, and are to be set apart for travellers. Separated from the plantation by the Kosi river (suspension bridge) is a pine forest of one hundred and two acres belonging to the estate, but in which neighbouring villages have the right to graze their cattle. The garden, having latterly been used as a nursery for fruit trees, the whole of the area is not under tea. There are on the estate two large slated houses (exclusive of Traill's house), a slated factory, two slated godowns, a slated barrack for tea-makers, and numerous slated out-offices. The height of the houses above sea-level is 4,000 feet, and the lands are not much higher or lower. Upset price Rs. 25,000.

Communications.—A good bridle-road, 8 to 10 feet wide and bridged, runs to (1) Haldwani, (2) Kaladungi (*via* Naini Tal), and (3) Ramnagar (*via* Khayna). From Haldwani to Bareilly Railway Station, 60 miles, over a pukka cart-road; from Kaladungi to Moradabad Railway Station, 48 miles, on partly pukka road; and from Ramnagar to Moradabad, 45 miles, *via* Kashipur, of which 25 miles, more or less, are a kutcha fair-weather road, bridged. Bridge-of-boats on Ramganga north of Moradabad. From Ramnagar up there is a cart-road (Kosi river not bridged) to Ranikhet, 56 miles; and to the Hawalbagh plantation, where the Kosi river is being bridged, 19 miles.

Agar Tali.—In Kattyur, consisting of about 2,546 acres. The area under tea was some years ago considerable. About 700 acres are cleared, and nearly 1,500 acres consist of jungle, of which part may be unculturable: a portion of the estate named Binculi, 919 acres, is held under a perpetual lease from the Nagpath Temple, at an annual rent of Rs. 24. There were on the estate a house, factory, godown, and numerous out-offices, all slated; but all these are in bad repair. Height of house above sea-level, 5,200 feet, and the plant-

ation ranges from that height to 4,400 feet. Upset price, Rs. 17,000.

Communications.—To Hawalbagh, 24 miles by bridle-road, thence as detailed under Hawalbagh.

These two estates will be put up to auction separately, at the upset prices named, and sold in fee simple to the highest bidder, free of all demands for land revenue, but subject to the rights already named in each case, and also to payment of customary cesses now in force, or that may be imposed hereafter.

Both estates have been surveyed, and maps may be seen at the District Office, Almora. Intending purchasers must satisfy themselves as to the present condition of the estates, and on all other matters involved in their sale. The purchasers must deposit 5 per cent. of the purchase-money at the time of sale, and the balance on or before the 1st of January, 1876, when possession will be given: failing payment in full, the deposit will be forfeited, and the estate re-sold.

By order of the Hon'ble the Lieutenant-Governor of the North-Western Provinces.

A. COLVIN,

Offg. Secy. to Govt., N. W. Provinces.

REVENUE DEPARTMENT, N. W. P.**NOTIFICATION.****MISCELLANEOUS.***The 21st August 1875.*

No. 1707 A.—The following tea plantations in Kumaun, the property of Government, will be offered for sale by public auction at the Senior Assistant Commissioner's Office, Almora, on Wednesday, the 1st of December, 1875, at noon:—

Hawalbagh.—Forty-six miles from the plains by bridle-road, and six from Almora. Area, about one hundred acres, after excluding the house known as Mr. Traill's, with its compound, which will not be sold: said house and ground are in an outlying corner of the estate, and are to be set apart for travellers. Separated from the plantation by the Kosi river (suspension bridge) is a pine forest of one hundred and two acres belonging to the estate, but in which neighbouring villages have the right to graze their cattle. The garden, having latterly been used as a nursery for fruit trees, the whole of the area is not under tea. There are on the estate two large slated houses (exclusive of Traill's house), a slated factory, two slated godowns, a slated barrack for tea-makers, and numerous slated out-offices. The height of the houses above sea-level is 4,000 feet, and the lands are not much higher or lower. Upset price Rs. 25,000.

Communications.—A good bridle-road, 8 to 10 feet wide and bridged,

1, 2, 3—markets at the foot of the hills. runs to (1) Haldwani, (2) Kaladungi (via Naini Tal), and (3) Ramnagar (via Khyroa). From Haldwani to Bareilly Railway Station, 60 miles, over a pukka cart-road; from Kaladungi to Moradabad Railway Station, 48 miles, on partly pukka road; and from Ramnagar to Moradabad, 45 miles, via Kashipur, of which 25 miles, more or less, are a kutcha fair-weather road, bridged. Bridge-of-boats on Ramganga north of Moradabad. From Ramnagar up there is a cart-road (Kosi river not bridged) to Ranikhet, 56 miles; and to the Hawalbagh plantation, where the Kosi river is being bridged, 19 miles.

Ayar Toli.—In Kattyur, consisting of about 2,546 acres. The area under tea was some years ago considerable. About 700 acres are cleared, and nearly 1,500 acres consist of jungle, of which part may be unculturable: a portion of the estate named Binculi, 919 acres, is held under a perpetual lease from the Nagnath Temple, at an annual rent of Rs. 24. There were on the estate a house, factory, godown, and numerous out-offices, all slated; but all these are in bad repair. Height of house above sea-level, 5,200 feet, and the plantation ranges from that height to 4,400 feet. Upset price, Rs. 17,000.

Communications.—To Hawalbagh, 24 miles by bridle-road, thence as detailed under Hawalbagh.

These two estates will be put up to auction separately, at the upset prices named, and sold in fee simple to the highest bidder, free of all demands for land revenue, but subject to the rights already named in each case, and also to payment of customary cesses now in force, or that may be imposed hereafter.

Both estates have been surveyed, and maps may be seen at the District Office, Almora. Intending purchasers must satisfy themselves as to the present condition of the estates, and on all other matters involved in their sale. The purchasers must deposit 5 per cent. of the purchase-money at the time of sale, and the balance on or before the 1st of January, 1876, when possession will be given: failing payment in full, the deposit will be forfeited, and the estate re-sold.

By order of the Hon'ble the Lieutenant-Governor of the North-Western Provinces.

A. COLVIN,

Offg. Secy. to Govt., N. W. Provinces.
